

The Twisted Hop Cask Beer

Cask beer brewed in the traditional English manner at the Twisted Hop brewery, using locally sourced malts and New Zealand hops the beer undergoes final fermentation in cask. Dispensed by hand-pump creating a creamy head for texture. Natural carbonation only, meaning low bubbles, causing it to be much easier on your stomach

Twisted ankle

A strong dark ale. Malty and smoky with hints of chocolate and coffee. A staple!

ALC - %5.0 / 350ml Glass - \$8.00 / 568ml PINT - \$11.00

Hopback IPA

A well balanced hoppy and aromatic IPA. Alternating hops depending on season

ALC - %5.8 / 350ml Glass - \$8.50 / 568ml PINT - \$11.50

English Style Bitter

Smooth and easy drinking, tamest of beers but incredibly session/able. Ask your server what current version we have

Seasonal cask ale

We're constantly rotating and changing new beers, so if you love cask ales ask your server or bartender what any of the new offering are.

The Twisted Hop Tap Beer

Twisted Hop Tap Beer & Guest

Our list of regular taps is behind the bar and is constantly changing and as much as we'd like to keep a list on our menu it just isn't a realistic option. So please ask your server or bartender for any recommendations or help. We always have an incredibly wide range so we will always try to find you what you want. Including ciders!
